ABOUT US

We Professional Unitrade in Textile Industry started our journey in Faisalabad (Punjab), Pakistan in early 1990 where export of textile, garments and fabrics were made to various parts of the world especially to Kingdom of Saudi Arabia. This journey continues and as the demand for the product increases in the Middle East Region we established our own office in the United Arab Emirates in the early 2014 to manage deliveries and better supply chain solution to our customer's regular demand.

Talking about the Emirates, by the grace of ALMIGHTY we have regular supplies to all major hospitals, clinics and healthcare suppliers. Apart from regular healthcare sector supplies our expansion program has reached hospitality sector to cater their uniform, linen, furnishing fabrics, and disposable products (PPE) requirement as well.

We provide customized uniform solution. Reach our experts to get customized product that fits you best, no matter for small organization or multinationals, our dedicated and quality focused team will get it done to your satisfaction. We have successfully done this for other sectors of the market that have reached us for customized solution and include: Building Contracting and Maintenance companies, Pest Control, Labour Supplies, Delivery Services, and Cleaning Services etc
